

DATASHEET

DC1076-6M

Steel Door Flush Mount Contact

MAIN FEATURES

- Steel Door Flush Mount Contact
- Biased
- 6 m Cable

TECHNICAL SPECIFICATIONS

Inputs / outputs

Contact type	NC
Wired-wireless	Wired

Physical characteristics

Physical dimensions	22 x 39 mm (Ø x H)
---------------------	--------------------

Environmental characteristics

Operating gap	9 mm
---------------	------

Other characteristics

Application type	Recessed mount
Connectivity	4 wires, 2 m
