

DATASHEET

DC107S60

Contact with 6 meter VDS cable

MAIN FEATURES

- Contact with 6 meter VDS cable

TECHNICAL SPECIFICATIONS

Inputs / outputs

Contact type	NC
Wired-wireless	Wired

Physical characteristics

Physical dimensions	22 x 39 mm (Ø x H)
---------------------	--------------------

Environmental characteristics

Operating gap	9 mm (max.)
---------------	-------------

Other characteristics

Application type	Recessed mount
Connectivity	4 wires, 6 m
Borehole diameter	19 mm
EN50131 grade	Grade 2
