

## DATASHEET

## FE110US

Eco Line Maglock 150 Kgf

## MAIN FEATURES

- Eco Line Maglock 150 Kgf
- unmonitored
- surface mount

## TECHNICAL SPECIFICATIONS

## Power supply

|                     |                              |
|---------------------|------------------------------|
| Power supply value  | 12 / 24 VDC                  |
| Current consumption | 460 mA (+/- 2, 5% @ 13, 5 V) |

## Physical characteristics

|                     |                              |
|---------------------|------------------------------|
| Physical dimensions | 166 x 38 x 22 mm (W x H x D) |
| Colour              | Aluminium                    |

## Other characteristics

|                                    |               |
|------------------------------------|---------------|
| Product type                       | Magnetic lock |
| Holding force kgf (Kilogram force) | 150 kgf       |
| Holding force N (Newton)           | 1500          |
| Monitored                          | No            |
| LED indicator                      | No            |
| Door status switch                 | No            |
| Monitored changeover               | No            |
| Magnetic bond sensor               | No            |
