

## DATASHEET

## N-MC-FE

MCP accessory

## MAIN FEATURES

- MCP accessory
- intelligent manual call point frangible element

## TECHNICAL SPECIFICATIONS

## Physical characteristics

|                     |                            |
|---------------------|----------------------------|
| Physical dimensions | 68 x 37 x 3 mm (W x H x D) |
| Net weight          | 11.5 g                     |
| Colour              | Signal white (RAL 9003)    |
| Mounting type       | Insert                     |
| Material (body)     | Glass, Polycarbonate       |

## Environmental characteristics

|                       |                         |
|-----------------------|-------------------------|
| Operating temperature | -25 to +72°C            |
| Storage temperature   | -25 to +72°C            |
| Relative humidity     | 10 to 95% noncondensing |
| Environment           | Indoor, Outdoor         |

## Other characteristics

|                    |                                    |
|--------------------|------------------------------------|
| User interface     | Printed                            |
| Compatibility      | Excellence, NC & Ziton series MCPs |
| Functional marking | ☒ • ☒                              |
| Vandal proof       | No                                 |
| Compliance         | CE, REACH, RoHS 3, WEEE            |
| Standards          | EN54-11                            |
| Category           | Reference                          |
| Detection device   | KE-DM3010R                         |
